Department page.**

## INSPECTION SCHEDULE

**BUILDING**                   **M-F 10:30-2:30**

**ELECTRIC\***                   **T & Th 8:00-12:00**  
                                 **W 3:00-7:00**

**PLUMBING**                   **T, W & Th 11:00-2:00**

**FIRE**                           **T & Th 10:00-2:00**

## CONSTRUCTION & DEMOLITION HOURS & REQUIREMENTS

Monday through Friday 7:00 a.m. – 6:00 p.m. and Saturday 9:00 a.m. – 5:00 p.m. Construction may **NOT** be performed on legal holidays or Sundays.

Rough inspections for Electrical, Plumbing AND Fire must pass prior to requesting a framing inspection. If you are not sure whether or not a rough inspection is required, please call the Building Department before you proceed.

\*Torque requirements as per NEC 2020 will be enforced.

Property must be baited for rats before construction begins for demolition, addition, new construction and any other work where digging/soil disturbance takes place.

Contractors should be mindful of waste, especially human food, wood and cardboard.
