Students from Saddle Brook High School attended the Community Partnership meeting to discuss details about the S.T.E.A.M. (Science, Technology, Engineering, Arts and Mathematics,) Festival scheduled for June 5, 2017. This year, Mr. Weinberg's students are designing the festival to include activities for senior citizens in our town. They are creating entertaining and educational stations that seniors can engage in. It is a wonderful way to bring members of our community together and provide students an opportunity to showcase their talent. Senior residents who do not drive and wish to attend can register for transportation to the event by calling Joseph Lecce at (201) 843-4866. Registration space will be limited and we urge you to take part in the festivities by signing up early. (SEE THE BACK OF THE NEWSLETTER FOR MOER DEATAILS)
