Appointment of Council President

BE IT RESOLVED by the Council of the Township of Saddle Brook, County of Bergen, State of New Jersey that

Councilman Andrew Cimiluca

is hereby appointed Council President effective January 1, 2020 for a term to expire on December 31, 2020.

The Council President is to serve without additional compensation.

Motion: Councilwoman D'Arminio

Second: Councilman Accomando

Roll Call:

Councilwoman D'Arminio - yes

Councilman Gierak - yes

Councilman Accomando - yes

Councilwoman Mazzer - yes

Councilman Cimiluca - yes

Mayor White administered the Oath of Office to Councilman Andrew Cimiluca.

Council President Cimiluca asked everyone to observe a moment of silence for several members of the Saddle Brook community including Joseph DeCosta, the father of Joe DeCosta the engineer of Fire Company 2 of our Fire Department; Mr. Larry Ratajczak, a frequent guest at our meetings and a long-time member of the Zoning Board and Planning Board; and also Dorothy Pinto, the mother of John Pinto, one of our volunteer ambulance corps Members and mother-in-law to Eileen Pinto, also an ambulance corps member and our Deputy Court Administrator.

Council President Cimiluca said my predecessor who served very, very capably, sometimes under what some people would call duress, we have something from the Mayor and Council and the whole Township to you. It is a token of our appreciation in recognition of your leadership and service.

COMMENTS

Council President Cimiluca said my intention is to rotate who starts and who finishes the comments, so next month it will be Mr. Gierak, and the following month it will be Mrs. D'Arminio. The Mayor will bat cleanup on this. The Mayor has different kind of information than we have, and it's more appropriate and a lot of times ... so we don't just repeat the same things. He would have a little bit different material to add.

Councilman Accomando wished everyone a happy New Year and expressed his condolences to the Pinto family, the Ratajczak family and the DeCosta family. He congratulated Council President Cimiluca.

Councilman Gierak thanked Councilwoman Mazzer for doing a wonderful job and congratulated Council President Cimiluca and expressed his condolences to the DeCosta family, the Ratajczak family and the Pinto family. He concluded by wishing everyone a happy new year.

Councilwoman D'Arminio congratulated Council President Cimiluca and said this is going into my sixth year as councilwoman which is incredible and I would like to thank all the good people in Saddle Brook for giving me the honor and privilege of continuing to serve you. I do intend to work hard. We all work hard together, looking forward to the new municipal complex, which is, I think going to be a great thing for the town and also my condolences to all of the families in their time of grief right now. She concluded by wishing everyone a happy, healthy new year.

Councilwoman Mazzer wished everyone a healthy, happy 2020 and congratulated the Mayor on becoming a grandfather. She extended her condolences to the families who experienced losses this past week and said she looked forward to a prosperous and productive 2020.

Council President Cimiluca said a couple of months ago we got our tax bills, and the outside envelope said Borough of Saddle River, so Munidex, who does our billing, screwed up and used the wrong envelopes. We did talk to them, and they did compensate us and basically cut their bill in half and returned \$2000 of the \$4000 billed. So basically, it was a bad look because some people just didn't understand what they were getting. It wasn't a good look for the Township, so we were compensated for that.

Council President Cimiluca said my intention as Council President is to continue the three-minute rule, however I do intend to extend it to five minutes before the election which would be the September meeting and the October meeting because there may be additional ideas that are being brought forth by certain residents.

He said we are looking at an empty podium over there, and I just wanted to say a few words. Mr. Ratajczak, for those who do not know, we had a moment of silence, he passed away recently. A lot of people thought there was a lot of animosity between Mr. Ratajczak and the Council. I'm not going to comment on that, but I will say that I do think that Larry made us all better council people. He kept us on our toes, and you couldn't go to a meeting without reading your packet, knowing what was in it and knowing what you were voting on. So at least for me, I think he did make us better public officials by keeping us in line. He definitely knew his stuff and there was no slacking off because if you did, he would let you know, and it's on TV, and everyone else would know.

Council President Cimiluca said a person called me the other day and asked me about my political affiliation, and I realized that I had never publicly mentioned that in November of 2018 I had changed my party affiliation from Republican to Democrat. I think when the Township notices went out, it said for the first time that I was a registered Democrat, and that is true. I changed last year. One of the reasons, the main reason was, currently the Democratic Party is in power in Bergen County. All of our elected officials on the county level are Democrats. My job here is to put Saddle Brook first, and I felt that by being in the Democratic party with the county Democrats, it would give Saddle Brook just another voice to people that were in a position to help Saddle Brook. My concern is not loftier goals. My concern is to put Saddle Brook first, and with that, I am happy to announce here that I am proud to be able to run for re-election, and I intend to run for re-election in 2020 with my running mates David Gierak and Flo Mazzer, and hopefully we will be successful, but you can be assured that you can contact us at any time. We will be available to the public, and I think that all of us, again, have no ulterior motives. We are Saddle Brook first.

Mayor White wished everyone a happy and healthy new year. He extended his condolences to the Ratajczak, Pinto and DaCosta families and said I also want to congratulate Andrew on becoming Council President and thank Flo for two very good years. You did a great job as Council President.

Mayor White then spoke about the upcoming Drug Addiction Awareness and Prevention event will be held at the Saddle Brook Senior Center on Monday, January 27th from 7:00 PM to 9:00 PM. It's being sponsored by the Saddle Brook Community Partnership, the Saddle Brook Police Department and a drug addiction and awareness group that does speak at events. They have recovering addicts that speak and also parents who lost loved ones to opioid abuse. I think it's a really good thing. I hope the residents attend. We're going to distribute it to the schools, and hopefully we will get a good response. There is going to be some refreshments there. Maria's Bakery is donating pastries and donuts, and also the guest speaker is going to be Aatif Alhout from the Medicine Shoppe. He's the pharmacist there. He's going to do a speech on opioids, so please, I hope you can all make that event.

The Mayor said I just want to quickly do a year in review. We had a lot of good things happen in 2019. I look forward to 2020 and an even better 2020. I want to start with the municipal complex. In February, I would think we should close on the property and move forward with the construction. We said many times, the benefit will be to consolidate all of our municipal offices, Hook and Ladder Fire Company is going to be moving. Their building is in a state of disrepair, so they will be moving in the same building, 55 Mayhill Street. The Saddle Brook Volunteer Ambulance Corps will also be moving there as well. Their assembly now downstairs is insufficient. It's too small, so they will be moving in, and they will have plenty of room and a better facility. The big thing is we're going to have a new civic center for the community, which is a real big selling point. I think for years people have been saying they want a rec center, a community center, and we're going to provide a state-of-the-art center for the public. Also, some of the selling points are we're going to be able to sell this building and also give Coolidge School back to the Board of Ed, and they are desperately in need of rooms, so that will be a good thing for them. Secondly, I think I'm very satisfied. I know the Council is. I think we are finally on sound financial footing. It's taken a while, but I

believe we really improved our finances, and we no longer operate in what I like to consider a crisis mode. I think our planning and budgeting is much better. We are watching out for our taxpayers' dollars, and we're doing so while maintaining or increasing services, so I'm very happy with where we stand there. We're going to continue with our road program, and we've been paving five or six roads every year. We're going to continue doing so, and this year we're going to try to get it done earlier. We did pass the ordinance to borrow the money, \$1.4 million. It's very, very expensive to pave roads, and between that program and also the Public Service Gas and Electric doing the gas lines, we're getting a lot of roads paved by them as well as us, so it's a good thing for the town. We're going to be receiving many grants. Every year we've been getting the NJDOT transportation grant, which is not a given. A lot of towns put in for it, and they don't get it. A lot of towns get more money than we do, but I'm very happy. Every year we've been getting about \$200,000 – close to \$200,000, which we use for paving roads. We also gave out new recycling pails to every homeowner. It cost \$7,000, but it was no expense to the town or to the taxpayers, I should say. We did that with recycling grant funds. We are working on property maintenance. As everyone probably knows, we hired a part-time property maintenance person, and he's been working with the businesses to clean up Midland Avenue and Market Street, and he's made a lot of progress there.

Mayor White said regarding quality of life issues, the closing of the Garden Plaza Hotel was a big relief really for us here and the elected officials and the police department, the ambulance corps, the community, the residents, the neighbors that live over there, and we are currently monitoring the situation to ensure it's closed. It's been closed for about six months. We will monitor it to be sure that something goes in there, the best use for the town. I don't believe it's going to be another hotel. Many people are interested in it, and there's different types of uses other than a hotel, which I think is a good thing. We really don't need another hotel. Too many hotels. It's enough in this small town, and even though we are right near all these major highways, it seems like two can do well; the third suffers, so we will see what happens there. We are keeping a close eye on it.

The Mayor said we're going to continue to support our emergency services, police, fire and ambulance, providing them with the necessary equipment, staffing, so they can do their job more effectively and keep themselves and the public safe. Again, we're going to be providing summer camp, and I think with the new civic center, I'm hoping that we're going to expand and increase recreation programs, and again I'm looking forward to the recreation center there. I think we're going to be able to provide more programs.

Mayor White said I just want to throw a shout out to Michael Maniscalco whose Eagle Scout project was a big success, putting a barrier free playground at Avon Park. He managed the entire project, and he was able to work with the town and Bergen County to construct that barrier free playground.

The Mayor said lastly, I just want to announce that we do have an annual newsletter that we have coming out. This will be the fifth year. This year we want to try to get it out early because last year it came out way too late because all the information in the newsletter is from the previous year, so we're shooting for March. I'm hoping to get it out some time in February. Everything in there is an annual report based on 2019 – it's a review of 2019.

Mr. Lo Dico expressed his condolences to the three families on the loss of their loved ones and said I'd like to thank former Council President Flo Mazzer for her two consecutive years as Council President. I enjoyed working with you. I think this Mayor and Council has a lot to be proud of. We have made a lot of accomplishments. Realizing yesterday, I finished 23 years as clerk. So my perspective is a little different than the people sitting up here. I have to say Mayor, Council members, you have accomplished a lot for the residents of Saddle Brook. You look out for the interests of our Saddle Brook residents. There are no politics being played up here. If the decision has to be made, it's made. We look at for the good of the community, and I think we should all be proud of that, and I thank you. Mr. Council President, I look forward to working with you this year. There's more work to be done, and I think it will be a great year. Thank you.

Council President Cimiluca said thank you. This will be my third go around as Council President, and I think Pete and I work very well together, and I appreciate – any of us

up here would not be able to be as affective and as efficient if it wasn't for Mr. Lo Dico, so he does a good job, and we appreciate you being here, Pete.

Council President Cimiluca asked for a motion to open the meeting to the public.

Mr. Thomas Van Winkle of 128 Lincoln Avenue congratulated Council President Cimiluca on behalf of the Mayor's Youth Group. He said he has been liaison to the mayor's youth group for the last couple of years, and he said they have had a successful 2019, especially later in the year. He said we were helping out at all the Halloween events, especially Trunk or Treat, the Senior Halloween party, the Decorating Contest for Halloween, and likewise for Christmas with the Decorating Contest and the party. So we helped out at all the events throughout the year, even going back further than that with the picnic and a lot of different things we've done. We look forward to another great year in 2020 for the Mayor's Youth Group. New members are always welcome, 4th through 12th grade. We're going to have our next meeting probably sometime this month. We haven't picked the date yet, but we will get that out on social media and through e-mail, so be on the lookout for that. We hope to do many great things especially as we get closer to Easter. Remember to check on social media and stay tuned, thank you.

Council President Cimiluca said you can find that out on the Saddle Brook Facebook page and the Saddle Brook website. Anybody who is interested in joining the group because they do a great job.
