THANK YOU TO EVERYONE
FOR ATTENDING.
PLEASE REMEMBER
TO SUPPORT
YOUR VFW
POPPY DRIVE.

Among all the flowers that evoke the memories and emotions of war is the red poppy, which became associated with war after the publication of a poem written by Col. John McCrae of Canada. The poem, "In Flander's Field," describes blowing red fields among the battleground of the fallen.

The VFW was the first veterans' organization to adopt the poppy and develop a national distribution campaign. For more than 75 years, the VFW's Buddy Poppy program has raised millions of dollars in support of veterans' welfare and the wellbeing of their dependents.

Today VFW Buddy Poppies are assembled by disabled, needy, and aging veterens in VA Hospitals and rehabilitation facilities across the country. Poppies are used by VFW' Posts and Auxiliaries to compensate the veterans who assemble the poppies. Donations also provide financial assistance to maintain state and national veterans' rehabilitation and service programs, and to partially support the VFW National Home for veterans' orphans and widows.
