

NEW JERSEY  
VETERANS NETWORK

"HONORING THOSE WHO  
SACRIFICE FOR US"

Dear friends & neighbors,

The Bergen County Baggers LLC, and the Saddle Brook VFW Post 3484 are proud to present our **3rd Annual Salute to NJ Veterans - Veterans Day Cornhole Tournaments** to be held on **Friday & Saturday, 11/8th & 9th 2024** at the Saddle Brook VFW Post 3484, # 44 Market St, Saddle Brook, NJ 07663

Our previous sold-out events in 2022 & 2023 helped raise over \$12,000 and 100% of the proceeds were donated to the **Bergen County Veterans Services "TRACERS"** program, the **New Jersey Veterans Network**, and the **Bergen County Police Chiefs Foundation Inc.**

100% of all proceeds from our 2024 event will go directly to the **NEW JERSEY VETERANS NETWORK (NJVN)** whose mission is to help NJ Veterans and their families enjoy a sustainable quality of life by creating a network of Community Veteran Liaisons ("CVL") whose role is to identify veterans and connect them with resources & solutions designed to meet the unique set of veteran needs. The NJVN is a 501c3 charity actively seeking out veterans in need to help provide them with a better way of life.

The BC Baggers are hoping to exceed the combined total of 2022 & 2023 to raise over \$12,000 in 2024 and we are asking for sponsors and donors to help offset the costs of this event.

You can also help with gift cards, and in-kind contributions that will be raffled off the day of the event and will go a long way toward ensuring the success of this annual event to support our NJ Veterans.

If you are interested in helping BCB give back to those who are in need by becoming a donor or an event day vendor, please send your gift cards and in-kind contributions to **Bergen County Baggers LLC, #632 Center St, Carlstadt, NJ 07072** or for more vendor info, please email [bergencountybaggers@gmail.com](mailto:bergencountybaggers@gmail.com).

If you are interested in becoming a sponsor, please complete the attached sponsor form.

Sincerely thanking you in advance for your time and generosity.
