The foregoing description shall be conformed, if necessary, to the final description approved by the Township Engineer and Township Attorney before recording, provided that any such conforming changes do not materially enlarge the Township's obligations or materially alter the public purpose of the dedication authorized by this Ordinance.

Section 4. Public Purpose and Use.

9. The dedication shall comply with all conditions imposed by any applicable land use approval, developer's agreement, resolution, ordinance, permit, or governmental approval relating to the Property or the Dedicated Area; and
